Alexandria, VA 22313-1450

Dear Sir:

In accordance with applicant's duty of disclosure under 37 C.F.R. §1.56, we are enclosing form PTO-1449 listing information that may be material to the patentability of this application, filed on February 6, 2001. We are also enclosing a copy of the citations listed in form PTO-1449.

Please note that the foreign references submitted herewith have been previously submitted to the U.S. Patent and Trademark Office on March 27, 2003. However, the Examiner did not consider these references in the Office Action dated January 28, 2004 because the USPTO was unable to locate these references at the time this application was examined.

It is applicant's belief that the citations that are listed in the enclosed form PTO-1449 do not described that which is claimed in the present invention.

It should be understood that attention has been called to the citations that have been deemed to be pertinent to the claimed present invention. In concluding what was pertinent, the criteria employed was considered most appropriate in light of the invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the present application to make the usual careful independent search for other prior art that may be pertinent.

Applicant respectfully requests favorable consideration and that this application be passed to allowance.

Respectfully submitted,
